### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The prior art does not teach or suggest the method of forming a cell pad contact hole as set forth in the claims, including the first and second poly films as recited, with ion implant taking place through the first poly film, and with the second poly film substantially filling the cell pad contact hole, and with the poly films having the relative dopant concentration as recited. Joo is cited as a teaching for why one might want to have a lower concentration of dopant in the poly film closest to the substrate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
